

LEAD RETRIEVAL

Don't Miss a Single Lead

EASY AND POWERFUL

Rent a device or Download the app to start collecting qualified leads. The system allows the user to take notes, photos, and enter qualifiers for each lead. Each device synchronizes in real time and leads are available 24/7 within the company portal. Access to the portal is provided from each device and to the person listed at the time of purchase.

PRICE

Download app on your device

First app download	\$295
Each additional app download	\$50

Rent Device/Hardware and Software

Rent device/hardware	\$395 per device
----------------------	------------------

Use Your Own In-House Scanning Solution
